Year-end totals in this report do not match crime summary by month totals due to updates and reclassifications throughout the year.

Caution: Small numbers can cause large percentage increases and decreases. Percent change can increase more than 100%, however, it cannot decrease more than 100%.

* Not Calculable - cannot divide by zero. This report does not include unfounded, traffic, or arrests for previously reported incidents.

** On 7/1/07 new legislation created revised thresholds for all value-based crimes. The new thresholds are under \$500, \$500-\$1000, and over \$1000 and apply to all value-based crimes.
