**WHAT: Douglas County Deputies Arrest Two Highlands Ranch Teens in Connection with Car Trespasses**

**NARRATIVE: DOUGLAS COUNTY:** The Douglas County Sheriff's Office arrested two Highlands Ranch teens in connection with several car trespasses that occurred in the early morning hours of 01/19/08, in Highlands Ranch, CO.

At around 2:30 am deputies responded to the area of Fairgate Way in Highlands Ranch on the report of numerous criminal trespasses to cars. Several deputies were able to locate the shoe tracks in the snow of those they believed to be responsible for the trespasses. One of the K9's was utilized to help follow the tracks as well. After following the tracks they spotted two males running from the area. The deputies yelled for the two to stop, to which they did not comply. After a short chase, one was taken into custody in a driveway on Fairgate. The other suspect was found hiding in some bushes. Deputies called to the suspect several times to come out, with no compliance. The K9 was deployed when the suspect would not come out. The K9 was able to grab on to the suspects arm and bring him out in the open for deputies to take into custody. Several items that were taken out of the cars were located in the area and returned to the rightful owners.

One of the suspects, Ryan Littleton, 19 years of age from Highlands Ranch, was transported to the Douglas County Detention facility and booked in on the following:

C.R.S. 18-6-701	Contributing to the Delinquency of Minor/Class 4 Felony
C.R.S. 18-4-502	First Degree Criminal Trespass/Class 5 Felony
C.R.S. 18-8-103	Resisting Arrest/Class 2 Misdemeanor

The second suspect, a 16 year old male, was released to a parent pending filing of charges.

This is still an open investigation and more information may be available once it has been officially filed with the District Attorney's Office.
