WHAT: Douglas County Sheriff's Office Investigating Home Invasion In Parker While Friends Of Family Were at Home

NARRATIVE: DOUGLAS COUNTY, The Douglas County Sheriff's Office is investigating a burglary to a residence in Parker, Co. A male broke into the house while friends of the family were inside.

On Friday, February 23, 2007 at around 2:00 pm Douglas County deputies responded to the 16000 block of Pitchford Pl. in Parker, Co., on a report of a male party taking things from the residence. While on scene deputies learned that a male opened the front door, which the victims believed to be locked at the time, and had come inside without consent. The male party then started taking items from the house. The two victims inside the house attempted to stop the male from taking the items, but were unsuccessful. One of the victims was assaulted by the suspect. The suspect left the house and got into a car driven by another male and drove off.

Both the male that came inside that house as well as the male driving the car were described as black males. At the time of the incident the only description of the car was that it was four-door and silver in color.
