## I. POLICY

It is the policy of this Office that promotions will be consistent with the best interests of the County and the Office. Promotions will be encouraged from within this Office; however, if a vacancy cannot be filled by a qualified individual from within, other applications will be solicited. <7B-01>

## II. PROBATION

Any employee who is promoted will serve a probationary period in the higher position of at least a six month duration. During that period, the employee may be removed from that position and returned to the previous position at any time, if deemed in the best interest of the Office. This may be instituted 'without cause'. All newly promoted personnel will be willing to accept a position in any division, section or unit of the Office. Any candidate who refuses a promotion will be eliminated from the current promotion eligibility list if one exists. <34.1.7><COM 4.4.7>

## III. DEMOTIONS

The Sheriff or chief deputies may demote an employee (non-probationary) under the following circumstances:

- A. When the employee is not needed in the position and at the level where they are performing.
- B. Where the employee cannot perform the full range of duties and responsibilities of the position.
- C. For disciplinary reasons consistent with rules and policy of the Office.
- D. When required by a reduction in force.
- E. Upon request of the employee.

## IV. PROMOTION PROCESS

In an effort to promote the most qualified employees, this Office will normally follow these procedures. Chief deputies, division captains and lieutenants are appointed positions as determined by the Sheriff, and do not necessarily follow either promotion or demotion guidelines. The Professional Standards Chief Deputy has the authority and responsibility for administering the promotional process. <34.1.1><34.1.2><COM 4.4.1><COM 4.4.2>

- A. Agency wide announcements (via e-mail and physical posting in common areas) will be made regarding the upcoming promotion process. A minimum of five working days will be given from the time of the posting until the time of the closing of the position. The qualifications for the position, selection process, and numerical weight, if any, assigned to the components will be outlined in the announcement. <34.1.5><34.1.6a><34.1.6c><COM 4.4.1><COM 4.4.6a, c>
- B. Application Process. Prospective candidates will submit a letter of intent, outlining their background and eligibility, through their chain of command to the Professional Standards Chief Deputy. Once received, the captain will then evaluate the promotional eligibility of all the candidates. <COM 4.4.1><COM 4.4.3a>
- C. Testing will be any combination of the following: <COM 4.4.1>

  5. Appraisal of promotability (to include an interview with the command staff and/or Sheriff) <34.1.3a><COM 4.4.3d>
  6. Other testing as deemed appropriate for job description
- A minimum score on each testing phase may be required before a candidate is eligible to progress to the next phase. The components that will be utilized for the testing process will be job related and nondiscriminatory in nature. <34.1.4><COM 4.4.3b>
- Professional Standards may solicit a private external organization to administer or provide one or more elements of the process as they deem appropriate. <34.1.1>

- E. The Sheriff will be provided a list of candidates ranking them from the combined test scores. The Sheriff will normally promote the candidates in the order of the list; however he is not obligated to do so. He may choose from the top three qualifying candidates for the promotion. <34.1.1><34.1.6b><34.1.6e><COM 4.4.1><COM 4.4.6b, e>
- F. A promotion list will be established for a specified period of time or until the list is exhausted. <34.1.6d><COM 4.4.1><COM 4.4.6d>
