I. POLICY

It is not in the best interest of the Douglas County Sheriff's Office or Douglas County Government to review for approval any firearms transfer indicated in the National Firearms Act (Form 4, 7560.4 12-82). The courts have validated this policy and its intent. Review of these applications is discretionary on the part of designated authorities.

This is not to preclude applicants from pursuing alternative persons to review their applications as part of the required administrative process. Alternatives include the United States Marshal's Office or the United States Attorneys Office. This policy does not preclude the office from signing transfers for in-county public law enforcement agencies for legitimate law enforcement purposes.
