

DOUGLAS COUNTY SHERIFF'S OFFICE 2021 STATISTICS SUMMARY

Dedicated to Serve & Service Excellence

Statistics change frequently due to continuous data entry, case reclassifications, and updates. For this reason, monthly statistics will not total quarterly statistics, semi-annual statistics, or year-end statistics.

Prepared by the Crime Analysis Unit, 4/19/22

Crime Summary

The statistics summarized in this report do not include crimes that occurred in the municipal jurisdictions of Aurora, Castle Rock, Littleton, Lone Tree, or Parker. All percentages are rounded.

Population

According to the Douglas County Community Development Department, the January, 2022 total Douglas County population was 373,275. In January of 2021, the adjusted total county population was 364,449, reflecting a population increase of 2% during 2021. The January, 2022 Douglas County Sheriff's Office jurisdiction population (unincorporated areas, Castle Pines and Larkspur) was estimated to be 216,067. The January, 2021 adjusted Douglas County Sheriff's Office jurisdiction population was 212,247, a population increase of 2% during 2021.¹

2021 Notable Findings

- Total crime increased 8% between 2020 and 2021.
- According to preliminary data, total crime in the State of Colorado increased 10% between 2020 and 2021.²
- There was a 21% increase in violent crime (murder and non-negligent manslaughter, forcible rape, robbery, and aggravated assault) in Douglas County.
- According to preliminary data, violent crime in the State of Colorado increased 10%, and there was an 18% increase in murder between 2020 and 2021.²
- Although murder and non-negligent manslaughter remained the same in Douglas County between 2020 and 2021, aggravated assault increased 15%, forcible rape increased 27%, and robbery increased 106% (18 robberies in 2020 compared to 37 in 2021).
- The crime of menacing accounted for approximately 40% of the aggravated assault offenses.
- Although national crime data is not yet available, many major cities across the United States have reported significant increases in homicides and other violent crimes in 2021.
- Property crime (burglary, theft, motor vehicle theft, and arson) increased 8%.
- The property crime increase was led by an 18% increase in burglary (residential and non-residential combined), and an 11% increase in motor vehicle theft.
- According to the CATPA-Metropolitan Auto Theft Task Force (C-MATT), motor vehicle thefts increased 39% across the Denver Metro Area between 2020 and 2021, and there was a 27% increase in the total number of Douglas County (including incorporated areas) stolen vehicles entered in the Colorado Crime Information Center (CCIC) system.³
- In 2021, 215 vehicles stolen from outside jurisdictions were recovered in Douglas County, compared to 159 in 2020.
- Excluding the "All Other Offenses" crime category, which counts numerous miscellaneous offenses together, the five most commonly occurring crimes were:

2021 Top Five Crimes	% Of Total
Financial crimes (combined categories)	17%
Theft	13%
Vandalism	8%
Assault (aggravated & simple)	8%
Trespass auto*	7%

* Theft from auto duplicates removed

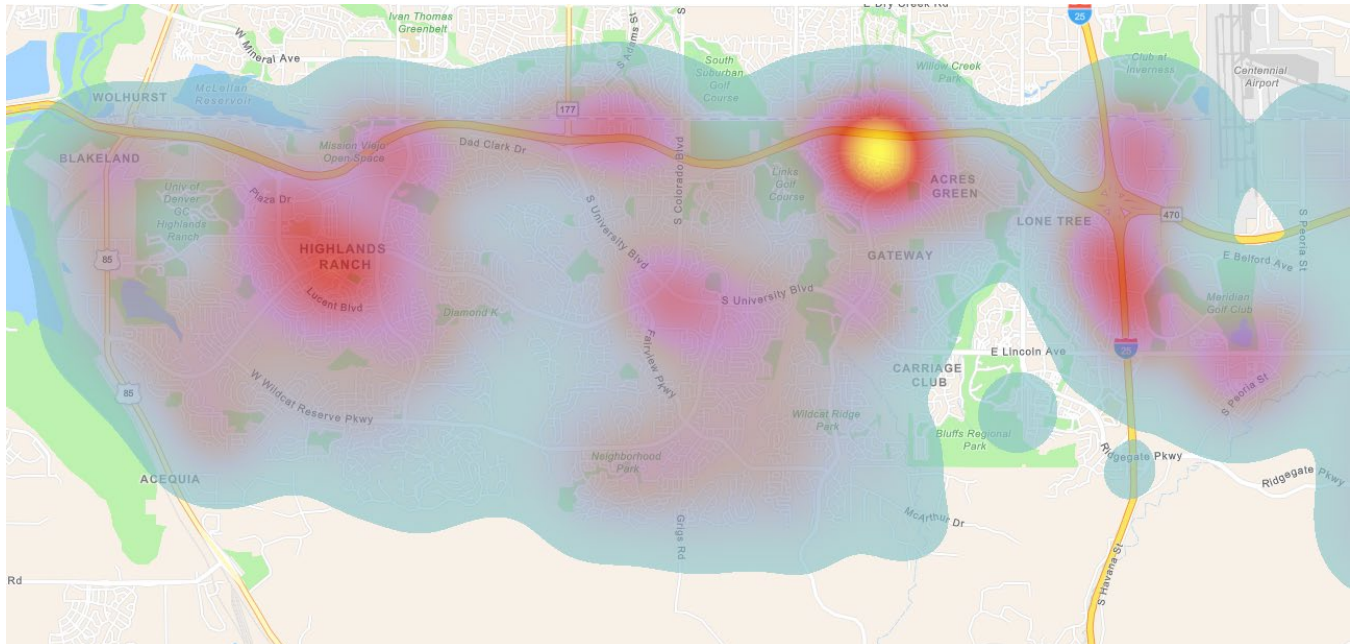

- The most significant crime increases between 2020 and 2021, not taking into account small numbers that are responsible for large percentage increases, were a 161% increase in forcible fondling, a 106% increase in robbery, and a 90% increase in false pretenses/swindle/confidence game (fraud-identity theft).
- The large increase in forcible fondling may be due, in part, to cases between siblings and other family members that occurred during the COVID-19 lockdowns but didn't get reported until 2021 when mandatory reporters were notified. As a note, most of the sex crimes reported in Douglas County involve suspects known to their victims.

³ 2021 C-MATT Executive Report, CATPA-Metropolitan Auto Theft Task Force, Updated 2/15/2022.

- False pretense (fraud-identity theft) consists of unauthorized use of a financial transaction device such as a credit card, check, or wire transfer.
- During 2021, federal unemployment insurance programs were enacted due to COVID-19, and there was a significant increase in identity theft involving false unemployment claims. The Financial Crimes Unit received up to 80 cases per week for several months during 2021.
- Domestic violence offenses increased 2%, and non-criminal family disturbances decreased 14%.
- Mental health holds increased 21%.
- January had the most crime in 2021 followed by March.
- June had the least amount of crime followed by August.
- Not including schools, the most significant crime hot spots were the area of Quebec St & Business Center Dr (Walmart and King Soopers were major contributors), the Highlands Ranch Town Center area, and RTD Lincoln Station as well as apartments north of Lincoln Station along Park Meadows Dr.

- Not including schools, the top crime locations were:
 1. Walmart, 6675 Business Center Dr (243 offenses)
 2. King Soopers, 8673 S Quebec St (99 offenses)
 3. 24 Hour Fitness, 6830 E County Line Rd (94 offenses)
- The top three crime locations at schools were:
 1. Chaparral High School, 15655 Brookstone Dr (87 offenses)
 2. Ponderosa High School, 7007 Bayou Gulch Rd (82 offenses)
 3. Highlands Ranch High School, 9375 Cresthill Ln (66 offenses)
- Total crime and non-criminal incidents at secondary schools decreased 76% between the 2019/2020 school year and the 2020/2021 school year, and school crime and non-criminal incidents increased 248% between August and December of 2021 compared to August through December of 2020.
- The large increase in school crime between August through December of 2021 may be due, in part, to online learning during several months of year-end 2020, which kept crime at below-average levels.
- District 3 had the highest percentage of crime and calls for service followed by District 4.
- There was an 11% increase in total deaths between 2020 and 2021.
- Of the total deaths, 61% were natural deaths and 12% were suicides.
- There were 28 suicides in 2021 compared to 31 in 2020.
- There was a 3% increase in citizen-initiated calls for service between 2020 and 2021.
- There has been a steady increase in the daytime homeless population in Douglas County since 2014. Between 2020 and 2021, there was a 32% increase in calls for service where the “homeless” was entered in the call notes.
- Friday was the day of the week with the most calls for service, which has remained the top day of week since 2007.

- The time frame between 1500-1559 hours had the most calls for service, followed by 1400-1459 hours and 1600-1659 hours.
- The peak call for service day and time was Friday between 1400-1459 hours, followed by Friday between 1500-1559 hours.

2021 Calls for Service by Day and Hour

- The top three citizen-initiated calls for service (excluding those dispositioned to another agency) were welfare checks, citizen assists, and suspicious circumstance calls.
- The top priority-1 citizen-initiated calls for service were domestics and medical assists.
- The top three citizen-initiated calls for service locations were:
 1. Walmart, 6675 Business Center Dr (205 calls)
 2. Denver Springs, 8835 American Way (203 calls)
 3. UCHealth Highlands Ranch Hospital, 1500 Park Central Dr (121 calls)
- The priority-1 response time decreased 7% between 2020 and 2021, and the priority-2 response time decreased 3%.
- Total arrests decreased 5% between 2020 and 2021.
- Of the total arrests, 80% were adults and 20% were juveniles.
- Excluding the “All Other Offenses” crime category which counts numerous miscellaneous offenses together, adults were arrested most often for assault (aggravated and simple combined) followed by DUI, and juveniles were arrested most often for drug offenses followed by liquor law violations.
- Excluding the “All Other Offenses” crime category, adults and juveniles combined were arrested most often for assault (aggravated and simple combined).
- Combined aggravated and simple assault arrests accounted for 17% of the total arrests.
- Of the arrests where data was collected regarding alcohol use, 34% of the arrestees were believed to be under the influence of alcohol at the time of their arrest.
- Of the arrests where data was collected regarding drug use, 16% of the arrestees were believed to be under the influence of drugs at the time of their arrest.
- Of the arrests where residence location was collected, 52% of the arrestees were residents of Douglas County and 48% were non-residents.

2017 – 2021 Notable Findings

- There was a 9% increase in total crime between 2017 and 2021. During the same timeframe, the Douglas County Sheriff’s Office jurisdiction population increased 8%.
- Between 2017 and 2021, crime in Colorado increased 18%, and the state population increased 3%.²
- The most significant crime increases between 2017 and 2021, not taking into account small numbers that were responsible for large percentage increases, were a 468% increase in stolen property offenses, a 104%

increase in false pretenses/swindle/confidence game (fraud-identity theft), a 79% increase in aggravated assault, and a 73% increase in motor vehicle theft.

- Stolen property offenses include “criminal possession of a financial device” statutes (possession of credit cards/debit cards belonging to someone else). These types of crimes are often associated with trespass auto, motor vehicle theft, and mail theft.
- According to C-MATT, motor vehicle thefts in the Denver Metro Area increased 103% between 2017 and 2021, and they increased 80% across the state during the same timeframe.³
- The 2021 offenses with the most significant increases when compared to the 2017 to 2020 averages were false pretenses/swindle/confidence game (fraud-identity theft), destruction/damage/vandalism of property, motor vehicle theft, simple assault, aggravated assault, and trespass auto.
- There was a 107% increase in homeless calls for service between 2017 and 2021.
- Drug/narcotics violations were at the lowest level in 2021 when compared to the years between 2017 and 2020.

2021 Traffic

- There was a 20% increase in crashes between 2020 and 2021.
- Non-injury crashes increased 16%, and injury crashes increased 63%.
- Of the total crashes, 87% were non-injury.
- There were eight fatal crashes in 2021, and there were eight fatal crashes in 2020.
- Of the eight fatal crashes, three involved motorcycles in rural areas across the county.
- The top crash locations were:
